YOUTH PROGRAMS FOR AGES 3 - 11

About Our Youth Programs
Summer recreation camps are for children to participate in fun, supervised, outdoor activities during the summer months. Summer Recreation staff provide quality recreational experiences that promote healthy living, character building, and teamwork through collaborative and active play. Please note, each camp has specific themed activities which will be in addition to traditional camp activities.

Campers are asked to wear clothes and shoes that they can run in. Campers should also wear sunscreen and bug spray if they desire. Campers should bring a water bottle each day. Read more about what to bring and expect at programs in the Parent handbook online.

LUNCH BUNCH: Lunch Bunch is a “bridge” between Prior Lake Recreation’s morning and afternoon programs from 12-12:30pm for many 6-11-year-old camps. Lunch Bunchers bring their own lunch and eat together, with recreation staff, at their park, then enjoy supervised free play until the afternoon program is ready to begin. Fee is $15 each week.
